At Parkway Family Dental Care, our main focus is patient care and educating our patients on the importance of routine check-ups and cleanings, as well as addressing any treatment that is recommended by Dr. Winschel. We have noticed that many of our patients cannot afford dental insurance or dental check-ups for their families. This got us thinking on how we can help our patients with NO dental insurance save money while still getting the dental care they deserve. So, we have created the **Parkway Family Dental Membership Plan**. With this plan there are no deductibles, no yearly maximums, and no waiting periods!
